

5. SIF 3 Providers

SIF 3 Providers - What do they do?

[05 - SIF3 Providers.pptx](#)

- What is an Object Provider
- What is it responsible for (events, RefId allocation, Environments if DIRECT)
- What can the Frameworks do
- How to develop a basic Object Provider
- See also [SIF Providers](#).

SIF 3 Providers - Source of truth

SIF 3 Concepts - Zones and brokers
